

PROTECTION SCREENS

Protector 400

Portable welding frames, protection screens & bespoke booths and curtains
 The necessary solution for employee protection.

Our top of the range screen. Heavy duty castor wheels, 2 of which are lockable, allowing full mobility. Included with the kit is either a pack of EN1598 welding strips, available in red or green, or a pack of clear. These consist of 5 strips that fasten together by click studs to its neighbouring strip, before attaching via curtain rings to the header rail.
