

Protector 500

Portable welding frames, protection screens & bespoke booths and curtains

The necessary solution for employee protection.

PROTECTION SCREENS

The professional choice for companies that take pride in their workspace. Two 1100mm wide pivoting arms can be rotated through 180 degrees, allowing a three sided welding area to be created. Heavy duty castor wheels, 2 of which are lockable, allow full mobility. The 500 kit consists of three packs of EN1598 welding strips, available in red or green or clear strips. Each pack consists of 5 strips that fasten together by click studs to its neighbouring strip, before attaching via curtain rings to
